

Condenser Cleaners

A well maintained, clean condenser will keep pressure low in the system, protecting the compressor and reducing the risk of leaks. Our full range of powerful cleaners has everything you need to keep the outdoor unit in top condition, which ensures system efficiency.

SuperClean™

HEAVY-DUTY CONDENSER CLEANER

-  Ready to use
-  Aerosol
-  Concentrate
-  Condensate pump safe

- Powerful foaming action that brightens the coil and inhibits future oxidation
- Just as powerful as an acid-based cleaner, but safer to use
- Strongest coil cleaner in the market, with a unique formulation
- Makes 25 litres
