

25m CARPET PROTECTOR

- 600mm x 25m / 500g.
- Ideal for interior work.
- Rip-resistant.
- Every tradesman should have one!

Please carefully read these application and limitations
before using this product.

USAGE

- Protection against spills, scratches, stains & dirt during building works, remodelling, painting, decoration, furniture removal and parties.
- Heavy duty rip-resistant material.
- Quick & simple to apply and remove.
- Self adhesive for secure positioning.

APPLICATION

- Before applying the film ensure the surface is clean and dry.
- Customers must fully evaluate the product by testing prior to using. Test the film for 48 hours on a small hidden area of carpet to ensure compatibility with the particular carpet and to ensure that there is no adhesive transfer or damage to carpet.
- To apply the roll, lay it on the floor facing the direction required to cover. Push the roll forward a small distance and press down firmly to ensure the film has adhered to the carpet.
- Continue to unroll, pressing down and smoothing out any air pockets, checking the film is rolled straight.

LIMITATIONS

- **FOR TEMPORARY USE ONLY.** Replace within 14 days for normal traffic areas and within 7 days for high traffic areas or in direct sunlight.
- For use on Synthetic Carpets Only.
- Do not use on long pile carpet. Not suitable for use on wool or oriental carpets, rugs, worn carpets or loose fitted carpet tiles.
- Do not apply on newly laid carpets where a glue or adhesive has been used. Allow up to 72 hours for any vapours to evaporate before laying the film.
- Do not apply on newly cleaned carpets. If the carpet had been recently cleaned, allow it to completely dry for a minimum of 10 days before using the film.
- Do not apply to a damp surface, as this will prevent any moisture from evaporating and could cause discolouration of carpet fibres.
- Film is one time use only. Remove and dispose of in accordance with local environmental regulations.
- High traffic areas or outdoor exposure may require renewal of film weekly.
- The product should be stored no longer than 12 months at room temperature.

DISCLAIMER

This product is designed to temporarily protect carpets from dust, debris and liquid spills when installed as directed. It is the responsibility of the user to ensure the product is suitable for the required application. Arctic Hayes Ltd accepts no liability for any damage caused by incorrect use of this product or failure to comply with the cautionary notes above.
